“As a kid, I was instantly captivated by archery. Growing up, I was always fascinated by the epic tales of Ramayana and Mahabharata, where figures like Ram and Arjun performed incredible feats with the bow and arrow. When I saw the same equipment at a stadium, I couldn't resist the urge to give it a try. I've been fortunate to have my family's unwavering support and their sacrifices and belief in me made me realize the significance of giving my best in return.

IndianOil has been instrumental in empowering young talents like me, and I truly feel privileged to be a part of the IndianOil family (Since 2022 under IndianOil Acer Scheme). With its long legacy of supporting athletes through initiatives like the sports scholarship program, IndianOil has been a constant pillar of encouragement. The introduction of the IndianOil Divyashakti initiative further strengthens my belief that it will open doors for nurturing young, budding talent.” - Aditi Gopichand Swami
