Meet IndianOil's budding Scholarship Players

IndianOil aims to energise India's sports landscape by nurturing the next generation of talent through sports scholarships. The Acers programme is supporting over 200 young sports scholars. Significantly half of these scholarships are being extended to budding female athletes.

“ Every match I play is not just about winning - it's about growing, evolving, and honoring the opportunity to represent my country on the global stage, especially at the Olympics one day. The support from IndianOil through the Acers scholarship has been a game-changer - not just for me, but for over 100 young athletes across India. It's not just a scholarship; it's a responsibility to strive harder, aim higher, and give back through excellence. ”

“ Badminton has been my heartbeat since childhood - every shuttle, every rally brings me closer to my dream of representing India at the Olympics. This journey wouldn't be possible without the constant support of IndianOil through its Acers scholarship. Being part of a family that backs over 100 young athletes like me is truly empowering. I carry that trust with pride, every time I step on the court. ”

“ Tennis is not just a sport for me—it's my passion, my purpose, and the driving force behind every decision I make. Every early morning, every drop of sweat, and every hard-fought match brings me one step closer to my dream of becoming World No. 1. I am deeply grateful to IndianOil for believing in my journey and supporting me through its sports scholarship. Their constant encouragement fuels my determination to represent India at the highest level. ”
