

From Raw Talents to Rising Legends Meet IndianOil's budding Scholarship Players

IndianOil aims to energise India's sports landscape by nurturing the next generation of talent through our sports scholarships. The Acers programme is supporting over 200 young sports scholars. Significantly half of these scholarships are being extended to budding female athletes

“For me, success in sports has never been solely about winning; it's about giving your absolute best, no matter the outcome. My parents have always emphasized, 'Let your actions speak louder than words—give them a comeback through what you do, not just what you say.' This mindset has stayed with me throughout my journey, reminding me that true success is not just defined by trophies or medals but by the relentless pursuit of excellence.”

“IndianOil truly lives up to its reputation as the "Energy of India." It doesn't just fuel vehicles; it fuels aspirations and dreams! As a shooter, I've personally felt the unwavering support of IndianOil, which nurtures sports talent and empowers athletes like me to pursue excellence on the global stage. The opportunities and experiences I have gained here have been enriching, and I'm excited about what lies ahead.”

“Every win is the result of years of hard work and focus. I aim to keep improving, not just for myself but to make my country proud.”
