Celebrating the Legacy of Indian Women's Hockey

The journey of Indian women's hockey, which began at the 1980 Moscow Olympics, has evolved into a story of resilience and triumph. The inspiring fourth-place finish at the Tokyo 2020 Olympics, along with recent successes like the bronze medal at the 19<sup>th</sup> Asian Games and victory at the Asian Champions Trophy in 2023, highlights this legacy. *"IndianOil has played a pivotal role in my life. Coming from a small state, I never imagined having a career supported by such a prestigious organization, especially as opportunities for women in sports are so limited. IndianOil's initiative to launch a women's hockey team still feels like a dream come true. Every athlete dreams of soaring high, and IndianOil gave us the wings to do just that. My heartfelt thanks to IndianOil for supporting me, believing in me, and becoming the strength I needed to keep moving forward."*
