Fuelling success at IndianOil & beyond

Since his transition to IndianOil in 2002, Mr. Mohammed Nawaz has strategically contributed towards the growth of the organisation. The passion for sports runs in his family with his father having played Hockey for Indian Railways & then later became an International referee. At the inception of his sporting journey, he was also inspired by his brother who was an Olympian & a National Player. Although Mr. Nawaz played hockey since childhood, his sporting journey took a significant turn when he was selected for the Sub-Junior State-Level Hockey Championship in Tirupati. This marked the launch of his professional career, that has since seen him raise through the ranks to become a world class player who has played hockey across numerous countries.

I extend my heartfelt gratitude to the IndianOil management for their unwavering support. Their assistance has not only propelled me toward achieving my sporting goals but has also provided tremendous opportunities to make a lasting impact both on and off the field. I look forward to continued success with the IndianOil family and appreciate the organisation for fostering an environment where athletes can truly thrive.
