

From Raw Talents to Rising Legends
Meet IndianOil's budding Scholarship Players

IndianOil aims to energise India's sports landscape by nurturing the next generation of talent through our sports scholarships. The Acers programme is supporting over 200 young sports scholars. Significantly half of these scholarships are being extended to budding female athletes

“ Success is not just about winning, it's about the courage to keep going when the odds are against you. Every challenge is an opportunity to grow, and every setback is a lesson in perseverance. ”

“ In 2022, I became part of the IndianOil family through the ACERS scheme, and since then, my journey has been nothing short of accelerated growth. IndianOil has truly become my foremost family, and I feel incredibly fortunate to be a part of such an esteemed organization. The experiences and opportunities I've gained here have been enriching, and I'm excited for the future. ”

“ Swimming has taught me discipline and resilience. Every victory, big or small, fuels my desire to aim higher. I've always believed that success is a journey, not a destination. Watching legends like Michael Phelps and Ian Thorpe fuels my aspirations to leave my own mark in the swimming world. ”
