

From Raw Talents to Rising Legends

Meet IndianOil's budding Scholarship Players

IndianOil aims to energise India's sports landscape by nurturing the next generation of talent through our sports scholarships. The Acers programme is supporting over 200 young sports scholars. Significantly half of these scholarships are being extended to budding female athletes

IndianOil welcomed me into its family through the Aces Scheme in 2022, and they've supported me every step of the way - with stipends, medical insurance, and more. Learning about IndianOil's legacy in nurturing talent and the launch of the 'IndianOil Divyashakti' scholarship for para-athletes makes me proud to be a part of this incredible family.

Starting shooting as a summer hobby, I never imagined it would shape my life this way. IndianOil, through the Aces Scheme, has played a pivotal role in this journey - giving me the support and stability every athlete dreams of. I'm truly inspired by IndianOil's legacy of uplifting sports talent and I'm proud to be a part of this incredible family.

Success in swimming isn't just about records - it's about showing up every day, pushing your limits, and growing stronger through every challenge. I'm grateful to IndianOil for standing by me and fuelling this journey with unwavering support.
