

From Raw Talents to Rising Legends

Meet IndianOil's budding Scholarship Players

IndianOil aims to energise India's sports landscape by nurturing the next generation of talent through our sports scholarships. The Acers programme is supporting over 200 young sports scholars. Significantly half of these scholarships are being extended to budding female athletes

Hockey has always been more than just a sport to me—it's a source of pride, discipline, and purpose. I'm incredibly grateful to IndianOil for their support through the IndianOil Aces Scheme. Their belief in young athletes like me has been instrumental in allowing me to focus fully on my game and perform at my best on the international stage.

Carrom has taught me discipline, focus, and resilience - values that go far beyond the board. Being able to represent my country and pursue my passion has been a dream come true. IndianOil fuels our ambitions & inspires us to push boundaries and aim higher every single day.

It's all about pushing ourselves until the final whistle, and over the last few years, I've learned to handle pressure on the big stage. Since 2022, IndianOil's support has played a pivotal role in helping me focus on my game and reach new heights.
