

## From Raw Talents to Rising Legends Meet IndianOil's budding Scholarship Players

IndianOil aims to energise India's sports landscape by nurturing the next generation of talent through our sports scholarships. The Acers programme is supporting over 200 young sports scholars. Significantly half of these scholarships are being extended to budding female athletes

“ I believe every match is a chance to improve and learn. My journey in badminton has just begun, and I'm determined to achieve greater heights. ”

“ Every win is the result of years of hard work and focus. I aim to keep improving, not just for myself, but to make my country proud. ”

“ My father, Raj Saraswat, often reminds me of the time when Lee Chong Wei focused on one format, leading him to great success. While I respect that, I enjoy playing both singles and doubles. My goal is to excel in both, and I'm hopeful I can achieve that. ”
